

Pack 61, Den 10 Southbury  
Nature Hike at Kettletown Park, 10/11/09

Thanks to Tiger Cub Parent Mike Parella for leading the hike!

Mike and the Scouts hunt for snakes ...

... and find a Ring Neck!

Tiger Cub Parent David Nichols showed the scouts how to search the lakeside.

Tiger Cub David walked barefoot in the lake!

Tiger Cub Mickey and Tiger Cub Daniel enjoy their snacks. Cousin Frankie too!

And the scouts cleaned up any trash they found along the way!
