## What is the University of Scouting?

This supplemental training for all adult leaders will offer fun, learning, and fellowship for all who attend. The University combines several training programs into one exciting event and provides a wide range of opportunities for all adult Scouters. There is something for everyone, regardless of position or experience. The University offers you a unique chance to learn and share experiences and address common concerns.

## Who is the University of Scouting for?

- Are you looking for guidance?
- Do you want to get a broader picture of Scouting?
- Could you use some hints on how to be more effective?
- Do you enjoy sharing your experience with others?
- For any and all of these reasons, The University is for you.

## Is it for me?
